CLARK'S STATEMENT.—Morehead, Ky., Oct. 24th, 1903.—Editor Outlook: I feel that it is due to the good people of Back and the other counties in this judicial district, who signed the petition asking that my name be placed on the official ballot as the candidate of the Republican party for Circuit Judge of this district that I should make some statement and explanation of the reasons why I thought I was entitled to be placed, and in order to do this I am glad to ask you to permit me to occupy some space, for that purpose, in your valuable paper.

In my judgment the law is sufficient to enable any lawyer to understand it, to do so. I stand prior to this until about six weeks ago, when Mr. J. H. Giddell, of Wood sent me word that if I would give way he would get on the ballot by petition and make the race. After reflecting I wrote him if he wanted to run I would give way and go to his neighborhood, and he carried in J. J. Reeb's law office here by Elder H. H. Giddell.
